

WOMEN IN DATA SCIENCE DAVIS @ UC DAVIS

The Women in Data Science (WiDS) is a one-day technical conference that provides an opportunity to hear about the latest data science-related research in a number of domains, learn how leading-edge companies are using data science for success, and connect with potential mentors and collaborators in the field.

#WiDSDavis is an independent

event organized by the UC Davis [Data Science Initiative](#) to coincide with the annual Global WiDS Conference held at Stanford University and an estimated 150+ locations worldwide. All genders are invited to attend WiDS regional events, which features outstanding women doing outstanding work. For more information, see <http://dsi.ucdavis.edu/WiDS2019>.
